**Ref: Service Riser Partition Walls –**

Dear Sirs,

We wish to confirm that all upgrade works to the internal partition walls of the service risers are constructed to comply with the proposed fire compartmentation upgrade layout advised by [REDACTED] and are installed as per Gyproc - Saint Gobain's guidelines and specifications.

All new shaft wall partitions with associated access hatches have been installed to comply with BS EN 1364-1:1999, test certificates and technical details are provided from the manufacturer.

Yours Sincerely,

A handwritten signature in black ink, appearing to read "Francis O'Reilly", is written over a horizontal line.
